Beginning of Great Lent – Clean Tuesday

Початок Великого Посту

The purpose of Great Lent is to prepare the faithful to not only commemorate, but to enter into the **Passion and Resurrection of Jesus**. The totality of Orthodox life centers around the Resurrection. Great Lent is intended to be a "workshop" where the character of the believer is spiritually uplifted and strengthened; where a believer's life is rededicated to the principles and ideals of the Gospel; where fasting and prayer culminate in deep conviction of life; where apathy and disinterest turn into vigorous activities of faith and good works.
